8 July 2011

Dear Sirs,

**Planning (Listed Building And Conservation Areas)(Scotland) Act 1997  
Perth City Halls, King Edward Street, Perth**

With regard to your recent consultation, the submitted supporting statement has a useful summary and conclusions set out at the start of the document. However there are a number of related appendices to examine fully and it is not easy to extract the relevant information from this document.

We therefore require additional time in which to respond. We would ask for an additional 28 days from our earlier advised date of 14 July. Please confirm that this is satisfactory and if so, we will aim to respond by 11 August.

Yours faithfully

**Leigh Johnston**

Heritage Management Team Leader (Listed Buildings North)
