

WWI COMMEMORATIVE PROGRAMME – SCHOOLS GRANTS **WOMEN IN THE WAR PROJECT**

Guidance Notes and Application Form

As part of the Scottish Government's five year commemorative programme this fund has three parts; WW1 Battlefield Site Visits, WW1 Conversations event, Women in WW1 Projects.

WW1 Women in the War Award Criteria

Women played an important part in WW1 for many working outside the home for the first time. The role that women undertook had a huge influence on the permission to vote for some women which celebrates 100 years in 2018.

This grant is for £250 per school which can be spent on any form of project which researches the role of women in the war, or a local suffragette. The main condition of the grant is that a **short film** is made (2 mins or less) of the project, capturing the key points. This film must then be sent to: lynne.robertson@educationscotland.gsi.gov.uk. These films would then be part of an archive of learning about WW1 and the commemorations period and may be used in future events and on the Education Scotland website.
