Historic Environment Scotland Grant Outcomes

Historic Environment Scotland’s corporate plan sets out four key themes in relation to Scotland’s historic environment. Outcomes are the benefits or changes that your project will deliver, and HES grant outcomes fall into these four strategic themes. The priority outcomes for Historic Environment Repair Grants are highlighted in bold.

**Understand**
- Communities are empowered to take an active role in understanding and enhancing the historic environment
- **Priority outcome: Existing and new audiences will have opportunities to access and learn about the historic environment**
- Our understanding of the Historic Environment, its opportunities, and solutions to existing and emerging challenges is enhanced

**Protect**
- Historic sites and properties will be conserved, regenerated and made sustainable and economic activity will be increased
- Conservation and/or archaeology skills within the historic environment and connected sectors are enhanced
- **Priority outcome: The historic environment is in better condition**
- **Priority outcome: Management and maintenance of the historic environment is improved**

**Value**
- **Priority outcome: People and communities enjoy the historic environment**
- **Priority outcome: Positive approaches to energy efficiency and climate change are adopted and promoted**
