Road Closures
Road closures are in place every Sunday on Queen’s Drive and the Duddingston Low Road from 8.30am – 6.00pm (April – September) and 8.30am – 4.00pm (October – March). The High Road usually remains open. When events are taking place in the Park the usual road closures may be extended and often a High Road closure is put in place. Details can be found on the list above.

The roads in Holyrood Park are owned by the Scottish Ministers and Historic Environment Scotland has the authority to implement road closures when required or requested. The exception to this arrangement is ‘the loop’ road between Holyrood Gait and Horse Wynd where the knock on effect to bus services and traffic in the city centre requires a stop and hold or road closure to be put in place by either The City of Edinburgh Council or a traffic management company.

For information on closures put in place by The City of Edinburgh Council please consult their website for information. Please note details are uploaded one week in advance of the event at http://www.edinburgh.gov.uk/info/20089/roads_and_pavements/181/roadworks_and_travel_disruption

Noise Control
Historic Environment Scotland acknowledges the proximity of some of the event sites to local residences and endeavours to do everything possible to minimise disruption. Should there be any noise issues with an event please contact the Environmental Health Team at The City of Edinburgh Council.

During normal business hours, and 6am – 5pm Saturday and Sundays, please call 0131 608 1100, asknoise@edinburgh.gov.uk
