

Make Your Own Jester Hat

1. Wrap a strip of card around your head and tape in place. (It may be handy to ask someone to help you).

2. Glue some long thin triangles onto the inside of the headband. Try alternating the colours.

3. Curl the points of the triangles around a felt tip pen.

4. Glue a pom pom onto the tip of each triangle.

Share your #LearningWithHES creations online – we'd love to see them!
