

FOI/EIR Disclosure Log 2022-2023

Case Number	Date Received	FOI/EIR	Request	Outcome
486	April 2022	EIR	1.) What has the temporary closure of 70 heritage properties - listed here on your website - cost HES? I would, in particular, like to know how much money has been spent on temporary fencing, if this is available 2.) The linked article above also states that "In some cases reduced physical access and accepting the natural process of decay will need to be considered." In what properties is such permanent closure being seriously considered? I of course understand that the purpose of closure is to detect where this might be appropriate but if HES has specific concerns that may warrant permanent closure of some properties I would like to know which properties these are	Info Provided
